

## 7: How Do I Know God's Will For My Life?

**FB:** You may still be wondering about God's *specific* will for your life. Should you look for open doors, listen for a "soft whisper" (1Kg 19:12), or put out a fleece like Gideon (Jdg 6:33-40)? The problem with such approaches is that the Bible never suggests them as models for decision making. Paul viewed open doors as opportunities that he had the choice to act on or ignore rather than a revelation of God's will (2Co 2:12-13). The "soft whisper" through which God spoke to Elijah was not an inward feeling or impression but an audible voice. Gideon's prayer for a sign—the fleece—actually showed his *lack* of faith, for God had already revealed what He wanted him to do. **FB:** Knowing the will of God begins internally. And if you are living a godly life, then you are free to make choices based on your desires, and God will give you the right desires. This is why Psalm 37:4 says, "Take delight in the Lord, and He will give you your heart's desires." You see, God's will is not so much about what you do but about who you are.
